

For "New Library Construction," enter the discount from the Discount Matrix calculated as described above for the school district in which the library under construction is located. For an "Administrative Entity," enter the Library System's Average Discount from Item 10c after it is calculated.

### ***Calculating the Shared Discount for the Library System***

**Item 10b, Column 4, last cell:** Add up all of the discounts in this column and enter the total in the cell at the bottom of Column 4. If you file online, the system will calculate this figure for you.

**Item 10c -** Divide the total at the bottom of Column 4 by the total number of library outlets/branches listed in Column 1. Round the result to the nearest whole number percentage, and list this number in Item 10c. This is the library system's shared discount. If you file online, the system will calculate this figure for you.

### **Worksheet C: Discount Calculation for Consortia**

If you checked the fourth box in Block 1, Item 5, you should use this worksheet. This worksheet should be used for a consortium of schools, school districts, libraries (outlets/branches, systems) or any combination of the above.

**Item 10a -** If you are filing this application as:

- a consortium and you are requesting services that will go ONLY to an individual consortium member and will not be shared, complete Columns 1-3 of Item 10b for each member.
- a consortium and if ALL consortium members will share one or more services (whether or not those consortium members will also receive site-specific services), complete Columns 1-3 for each member of your consortium PLUS Item 10c.
- a consortium, and some requested services will be shared by some consortium members and not others (whether or not those consortium members will also receive site-specific services), you must complete a separate worksheet, Columns 1-3 PLUS Item 10c, for each different group of consortium members sharing a service. You will then label the worksheets C-1, C-2, C-3, etc.

**Item 10b -** You will use this worksheet as instructed in Item 10a to calculate the appropriate discount(s).

**Item 10b, Column 1:** For each eligible consortium member included in your application, list the member by name on a separate row. Do not list ineligible consortium members, as they will not receive discounted services.

65/3386385

**Item 10b, Column 2:** List each eligible consortium member's Entity Number. If you do not know the Entity Number for a particular eligible consortium member, call the SLD Client Service Bureau at 1-888-203-8100.

***Identifying the Site-Specific Discount for Each Member***

**Item 10b, Column 3:** Provide the correct discount for each eligible member depending on the type of entity it is.

- If the member is an individual school, use the discount from Worksheet A, Column 7. Attach a completed Worksheet A showing the calculations for each school that is a member of your consortium.
- If the member is a school district, use the discount from Worksheet A, Item 10c (the weighted average discount). Attach a completed Worksheet A showing the calculations for each school district that is a member of your consortium.
- If the member is a library outlet/branch, use the discount calculated as explained above for Worksheet B, Column 4.
- If the member is a library system, use Worksheet B, Columns 1-4 PLUS Item 10c, to calculate the discount. Attach a complete Worksheet B showing these calculations for each library system that is a member of your consortium.

***Calculating the Shared Discount for the Consortium***

**Item 10b, Column 3, last cell:** Add up all of the discounts in this column and enter the total in the cell at the bottom of this column. If you file online, the system will calculate this figure for you.

**Item 10c -** Divide the total at the bottom of Column 3 by the total number of consortium members listed in Column 1. Round the result to the nearest whole number percentage, and list this number in Item 10c. This is the shared discount for the entire consortium. If you file online, the system will calculate this figure for you.

**F. Block 5: Services Ordered**

Block 5 asks you to provide information about the eligible services that you have ordered, their cost, and the discount you are requesting based on the entities to receive service. The following information will highlight the features of Block 5:

You will complete one Block 5 worksheet for **each** Funding Request. In general, you should complete a separate Funding Request page for:

- Each service provider that will be providing you with service.
  - Each separate contract or service agreement (but not necessarily the individual service within that contract or agreement, as long as they are in the same category of service, e.g. telecommunications services).
  - Each different category of service provided by the same provider. For example, a PBX system that the applicant will purchase and own and local voice service from the same telephone company should go on separate Block 5 worksheets, since the PBX would be Internal Connections and the phone service is Telecommunications Services. Check the “Eligible Services List” and any updates at [www.sl.universalservice.org](http://www.sl.universalservice.org) to identify which category each service belongs in.
  - Local phone service.
  - Long distance phone service.
  - Site-specific service (service not shared by other sites).
  - If you are ordering services based on different Forms 470, services corresponding to each Form 470 must be reported on separate Block 5 worksheets with the relevant Form 470 Application Numbers.
- 
- **Priority 1 and Priority 2 services.** Applicants who are applying for both Priority 1 (Telecommunications Services or Internet Access) and Priority 2 (Internal Connections) services are strongly encouraged to file these requests on separate Forms 471 — that is, to file one or more Forms 471 for their Priority 1 requests and one or more Forms 471 for their Priority 2 requests.
  - **Ineligible costs:** You may not seek support for ineligible services, entities, and uses. The Block 5 worksheet will guide you through deducting any ineligible costs from your total cost of services before calculating your discount request. If you have any questions about whether a service is eligible for support, please check the “Eligible Services List” on the SLD web site at [www.sl.universalservice.org](http://www.sl.universalservice.org) or contact the SLD Client Service Bureau at 1-888-203-8100.
  - **Signed contracts:** You **MUST** have a signed contract (or a legally binding agreement between you and your service provider preparatory to a formal signed contract) for all services you order on your Form 471 except:
    - *Tariffed services:* Telecommunications services that you purchase at prices regulated by your state regulatory commission and/or the FCC, which do not require a signed, written contract.
    - *Month-to-Month Services:* Month-to-Month services which do not require a signed, written contract. Your billing arrangement signifies that you are receiving your services on a month-to-month basis.

Note: You must file a Form 470 and seek competitive bids for tariffed or month-to-month services each funding year.

- **Eligible service providers:** To provide you with telecommunications services, Internet access and internal connections under this program, a service provider must secure a Service Provider Identification Number (SPIN) from the Universal Service Administrative Company and certify that they will comply with program rules. *However, telecommunications services may be obtained only from telecommunications companies who provide those telecommunication services on a common carriage basis (meaning they provide their services for a fee to the general public).* You may check the “BEAR/SPIN Search” on the SLD web site at [www.sl.universalservice.org](http://www.sl.universalservice.org) to confirm whether your service provider is eligible to provide telecommunications services. If you receive telecommunications services from a provider that does not provide telecommunications services on a common carriage basis, your Funding Request for such services will be denied.
- **Discounted and undiscounted amounts:** Form 471 requires you to certify in Block 6, Item 25 that you have adequate budgetary resources for the undiscounted portion of any service you seek, as well as for related, ineligible services such as computers, training, software, maintenance, and electrical connections that you will need to make effective use of the services you order.

### **Item-by-Item Instructions**

**FRN #** - The Fund Administrator will assign a unique number to each Funding Request represented on a Block 5 worksheet.

**Item 11** - Check the correct category for the service listed on this Block 5 Funding Request. You may check only ONE. Please consult the “Eligible Services List” and any updates on the SLD web site at [www.sl.universalservice.org](http://www.sl.universalservice.org) or contact the SLD Client Service Bureau at 1-888-203-8100.

**Item 12** - Provide the 15-digit FCC Form 470 Application Number of the FCC Form 470 in which the services ordered here were sought. FCC Form 470 applicants will receive this number when they receive confirmation that their FCC Form 470 has been received and posted.

**Item 13** - Enter the 9-digit Service Provider Identification Number (SPIN) for this service provider. You must provide a valid SPIN for the service provider indicated in Item 14 below. Each service provider should give you its SPIN on request. You may refer to the “BEAR/SPIN Search” area of the SLD web site for a list of service provider contacts. A service provider who does not have a SPIN should file the FCC Form 498 to obtain one. The Form 498 and Instructions can be downloaded from the Forms Area of the SLD web site.

**Item 14** (30 characters maximum) - Provide the full legal name of the service provider for this Funding Request. You may list only ONE service provider per Block 5 worksheet. The name of your Service Provider whose SPIN is indicated in Item 13 above must be provided.

**Item 15** (18 characters maximum) - Provide the contract number for this service.

- If this is a contracted service, and the contract does not have a contract number but has some other reference number, you should note that number. If there is no reference number, please enter N/A.
- If you are buying off of a master contract signed by a state, regional or local procurement agency on behalf of eligible schools and libraries, you may use either the master contract number or the number of your own purchase agreement executed pursuant to that master contract. Whichever number you use, be certain that you use the corresponding dates in Item 18 and Item 20.
- If this is a tariffed service—a telecommunications service that you purchase at prices (rates) regulated by your state regulatory commission and/or the FCC which does not require a signed, written contract—place a T in Item 15.
- Certain services are commonly offered on the basis of a month-to-month arrangement where there may be no written agreement between the customer and the service provider. These include services such as Internet access, cellular services and paging services. In these instances, standard monthly bills will be accepted as proof of a binding, legal arrangement between the service provider and the customer. (These arrangements are different from tariffed services, which may also be offered month-to-month but at regulated prices.) If the service for which you are completing Block 5 is purchased under such a month-to-month arrangement, please enter MTM (for “month-to-month”) in Item 15.

**Item 16** (18 characters maximum) - Provide the account number that your service provider has established with you for billing purposes. This information will help your service provider provide you with discounted bills for service. In the case of telephone services, this is most often the billed telephone number associated with the service. **If there are multiple billed telephone numbers, provide one main number.** If this service is already established (for example, a service provided under a qualified existing contract, or tariffed services for which you have selected the same service provider who already provides you with service), you should be able to find your account number on past bills, or you can request your account number from the service provider. If you have not yet established an account number, your service provider may have a “pre-account” identifier for you to use. If your service provider has no account number to identify your service, enter N/A.

**Item 17** - List the Allowable Vendor Selection/Contract Date for this service. The Allowable Vendor Selection/Contract Date is the earliest date you are permitted to sign a contract for newly contracted services or to select your service provider for tariffed or month-to-month services after posting a Form 470. This Allowable Vendor Selection/Contract Date is identified in your Receipt Notification Letter for the Form 470 cited in Item 12 above, as well as on that posted Form 470 on the SLD web site.

**Item 18** - For contracted services, enter the date that your contract for this service was signed, using mm/dd/yyyy format. For tariffed services and month-to-month services that you have identified as such in Item 15, leave this item blank.

**Item 19a** - For contracted, tariffed, and month-to-month services, provide the date **when services will start in the funding year** for which you are applying, using mm/dd/yyyy format. Note that discounts will NOT be provided for services delivered before the beginning of the funding year, which starts on July 1. Thus, if this service has already started by the time you file this Form 471, you will use July 1 of the funding year as your Service Start Date.

**Item 19b** - For tariffed and month-to-month services, enter the date that services will end in the funding year for which you are applying, using mm/dd/yyyy format. For contracted services, see Item 20 below.

**Item 20** - For contracted services, enter the date the contract expires, in mm/dd/yyyy format. For tariffed services and month-to-month services that you have identified as such in Item 15, leave this item blank.

**Item 21** (8 characters maximum) - Each Block 5 Discount Funding Request must include a description of the products and services for which discounts are being sought. This description is known as an "Item 21 Attachment." Each description must be labeled with a unique "Attachment Number" that you create. For Item 21, please enter the Attachment Number you have created.

You may cite the same description of services in multiple Block 5 Discount Funding Requests. For example, if you are ordering Internal Connections products and services under a single contract for multiple sites and the products and services are the same for each site, each Block 5 Discount Funding Request may refer to a single Item 21 Attachment.

In general, the Item 21 Attachment is a narrative description of the funding request and a line-item listing of the products and/or services requested with their associated costs. Service providers can assist applicants in the preparation of the Item 21 Attachment, which also must include:

- The applicant's name
- The Attachment Number (see above)
- The applicant's Billed Entity Number, and
- The Form 471 application number, if one has been assigned through online filing.

The line-item listing of products and services may be submitted in a table format as follows:

Quantity	Description of Product or Service	Unit Cost	-----Extended Cost-----	
			Recurring	Non-Recurring

In some circumstances, additional information may be required. For example:

- Ensure that any included ineligible products and/or services are identified and the cost of such products and/or services is deducted.
- For maintenance services, include the specific list of components to be covered and break out the pricing for maintenance of these components.
- For telephone services, indicate the number of phone lines and/or cell phones receiving service, and provide information about their use if any will be used for other than educational purposes.
- A price quotation from the service provider, a representative bill for continuing services, or the criteria used to estimate new or increased costs, may be submitted if sufficient detail is provided in that documentation to determine the eligibility of the funding request.
- If products or services are being purchased under a state master contract, include the contract number (if available) and the expiration date of the state master contract.
- Include an explanation of the purpose, location, breakdown of up-front costs, or other information to provide a clear explanation of the funding request.

If questions arise during review of an application, the SLD may reach out to the applicant to request additional information. For this reason, applicants can significantly speed up the application review process by including complete information in the Item 21 Attachment.

**Item 22** - Entities receiving this service. For site-specific services that will be provided to one individual entity and not shared by others (for example, a local area network to be installed in one school building), provide the Entity Number of the individual entity receiving that service in

**Item 22a.** For shared services used jointly by multiple entities (such as telecommunications services provided to all of the outlets/branches in a library system), list the Block 4 Worksheet Number that shows the sharing entities and calculates the shared discount for this service in **Item 22b.**

**Item 23** - Use the step-by-step calculation grid to arrive at the total amount of your funding request. You may round dollar amounts to the nearest dollar, but please use numerals and include all digits. **DO NOT use words such as 1 million**, in place of 1,000,000. Note that if you are seeking support on multi-year contracts, **you may request funding only for that portion of the contract that is delivered in the relevant funding year.**

Use Columns A-E for **recurring** charges (monthly charges) for this service, and Columns F-H for **non-recurring** charges (one-time charges) for this service.

You may request discounts only for products and services delivered in the relevant funding year. Recurring services must be delivered between July 1 and June 30 of the funding year. Non-recurring services must generally be delivered between July 1 and the September 30 following the close of the funding year. For more information, please refer to "Service Delivery Deadlines and Extension Requests" on the SLD web site at [www.sl.universalservice.org](http://www.sl.universalservice.org).

**Item 23, Column A:** Estimate your total monthly cost for this service. If the cost of service fluctuates from month to month, you may use the average of past bills to estimate the monthly cost.

If you expect to pay a non-recurring charge in multiple installments over the funding year, you should either amortize this charge in Columns A-E or include the full amount of this charge in Columns F-H. **DO NOT** include this amount under both recurring and non-recurring charges. If you amortize this charge in Columns A-E, you will not be eligible for discounts on the non-recurring services provided after June 30 of the funding year.

**Item 23, Column B:** Enter the total cost associated with ANY ineligible services, entities, or uses included in your monthly charges. The following represent some common ways in which eligible and ineligible costs are bundled together, and how you can go about deducting the ineligible costs.

- **Eligible services bundled with ineligible services:** While you may contract with the same service provider for both eligible and ineligible services, your contract or purchase agreement must clearly break out costs for eligible services from those for ineligible services. If the eligible and ineligible services were purchased together at a special "bundled" price, a proportionate cost allocation is required between the eligible and ineligible components. The applicant will use this reduced price when requesting universal service discounts on the eligible service. For example, if a provider offers to sell a school an eligible service for \$10.00 and an ineligible service for \$20.00, but also offers them as a bundle for \$24.00, this would indicate that the provider is offering a \$6.00, or 20%, price reduction. Therefore, the school could treat  $\$10.00 - 20\% = \$8.00$  as eligible for universal service support.
- **Services shared by eligible and ineligible entities:** When you share a service with an ineligible entity, the provider may receive reimbursement only for that portion of the service that eligible entities are receiving. To help auditors confirm that this rule is being observed, you must keep and retain careful records of how you have allocated the costs of shared services and facilities among eligible and ineligible entities. You should maintain these records consistent with any measures that may be established by the FCC, the SLD, or state commissions.

- **Bundled services from an Internet service provider:** You may receive discounts on access to the Internet but not on separate charges for particular proprietary content, other information services, or a package including content and conduit. The only exception is when the bundled package includes minimal content and provides a more cost-effective means of securing access to the Internet than other non-content alternatives. Thus, if a service provider bundles Internet access with a package of content that is available to all customers free of charge, the entire price of that bundle will be eligible for support. However, if the service provider a) does not offer an access-only service, and b) offers Internet users access to its proprietary content for a price, then you may treat the difference between the content-only price and the price it charges for its bundled access as the price of non-content Internet access.

**Item 23, Column C:** Subtract the amount in Column B from the amount in Column A to arrive at your eligible monthly pre-discount cost.

**Item 23, Column D:** Provide the number of months you will be receiving this service in the funding year.

**Item 23, Column E:** Multiply Column D by Column C to arrive at your annual pre-discount cost for eligible recurring services.

**Item 23, Column F:** Estimate your total annual amount of non-recurring (one time) pre-discount charges for this service.

**Item 23, Column G:** Provide the total cost here associated with any ineligible service, entities, or uses included in your total annual cost of service. See notes on Column B, above, for more information.

**Item 23, Column H:** Subtract the amount in Column G from the amount in Column F to arrive at your total eligible pre-discount cost for non-recurring services.

**Item 23, Column I:** Add together columns E and H to arrive at your total eligible pre-discount costs (recurring and non-recurring) for the year.

**Item 23, Column J:** Enter the correct discount for this service, which is the discount you calculated for the entity or entities cited in Item 22. Refer back to the appropriate Block 4 worksheet to assure that you enter the correct discount.

**Item 23, Column K:** Multiply the amount in Column I by the discount in Column J to arrive at your total funding commitment requested for this service.

## **G. Block 6: Certification and Signature**

Block 6 requires schools and libraries to certify certain information. This information is required to ensure that only eligible entities receive support under the universal service discount mechanism.

**“Do Not Write In This Area”** - The SLD uses this space to apply a bar code to your form upon receipt, so that we can properly track and archive your form.

### **Special Block 6 Instructions for Applications Filed Online**

- When you have completed the online filing of Blocks 1-5, please print your application to retain a copy for your records.
- You must also submit the Block 6 certification.
- If you have a User ID and PIN and wish to submit your Block 6 certification online, follow the directions online. When you submit your certification online, you will receive a confirmation so that you can be assured that your submission has met any filing deadlines. If you file online and use online certification, do not mail any part of your Form 471 to the SLD, but do mail the Item 21 attachments to the SLD as soon as possible after completing your Form 471. Make a copy of the online certification confirmation page and attach that to the top of the Item 21 attachment so that the SLD will be able to match the Item 21 attachment with the correct Form 471. Check the “PIN Request Area” of the SLD web site for information about obtaining a User ID and a PIN.
- If you wish to submit the completed and signed Block 6 certification on paper, print Block 6 using your browser. When you print Block 6 using the browser, the form will automatically include your Form 471 Application Number, Applicant Name, and Applicant Address. Item 34 requires the signature of the authorized person who will certify to the accuracy of the information on the form. Also, you must complete Items 24-33. Mail the signed Block 6 to: **SLD-Form 471, P. O. Box 7026, Lawrence, Kansas 66044-7026**. For express delivery services or U.S. Postal Service Return Receipt Requested, send to **SLD-Form 471, c/o Ms. Smith, 3833 Greenway Drive, Lawrence, Kansas 66046**. Note: Do not mail the complete Form 471. Mail only the signed Block 6 certification page along with your Item 21 Description of services and any other attachments. If the Block 6 certification is submitted on paper, you are advised to keep proof of the date of mailing.

### **For all applicants, filing on paper or online:**

**Item 24** - Certify that the entities listed in Block 4 of your application are eligible schools and/or libraries. If your application includes schools and all of the information in **Item 24a** is true of those schools seeking to receive discounted services, you should check the box in Item 24a. If

your application includes schools and any of the information in Item 24a is not true for the schools seeking to receive discounted services, those schools are not eligible to receive support under the universal service discount mechanism, and you should not check this box.

If your application includes libraries or library consortia and all of the information in **Item 24b** is true of the libraries seeking to receive discounted services, you should check the box in Item 24b. If your application includes libraries or library consortia and any of the information is not true for the libraries or library consortia seeking to receive discounted services, those libraries or library consortia are not eligible to receive support under the universal service discount mechanism, and you should not check this box.

**Item 25** - Certify that the current budget and any other budgets applicable to the current funding year for the eligible schools and libraries listed in Block 4 of this application will provide sufficient funding in this funding year to purchase all of the resources—including computers, training, software, maintenance, and electrical connections—that are necessary for you to make effective use of the eligible services you have requested in Block 5, as well as to pay the non-discounted portion of the charges for eligible services.

As part of our review of your Item 25 certification, the SLD may request additional documentation to support your certification. The certification in Item 32 below states that you will retain for five years any and all worksheets and other records that you rely upon to fill out your Form 471. For Item 25, these worksheets and records include:

- **Paying your share of E-rate eligible costs.** You may be asked to provide documentation of your ability to pay the non-discounted portion of the products and services for which you have applied for discounts. You should already have the funds identified in your budget to pay for these costs. If your budget is not yet final, we may request additional documentation to substantiate your certification.
- **Paying for ineligible costs.** You may be asked to provide estimates of hardware, software, professional development, retrofitting (construction and electrical work necessary to prepare a building for technology), maintenance investments and other resources that are necessary to make effective use of the E-rate discounts you have requested. These resources may or may not be eligible for E-rate discounts. Again, if these resources will be purchased under your budget, you should already have the funds identified in your budget to pay for them. However, these resources may also be ones that you already have or own, such as computers purchased or donated in a prior year.
- **Technology Plan.** If you applied for more than basic local and long distance telephone services, you may be asked to provide a copy of your Technology Plan. Your Technology Plan should include a description of the products and services necessary to accomplish your technology service goals, whether they are eligible or ineligible for E-rate discounts.
- **Status of technology before and after E-rate discounts.** You may be asked to provide an estimate of the level of technology for all recipients of discounted services included in your application. This estimate would describe the level of technology for each recipient

both at the beginning of the funding year and after the planned products and services in your Technology Plan are delivered and installed.

**Items 26 and 27** concern the technology plans that must be prepared and approved before schools and libraries may receive discounted services under the universal service support mechanism. The only schools and libraries that do not have to comply with the technology plan requirement are those entities requesting support ONLY for basic local and long distance telephone service.

**Item 26** - Check the box that best describes the level of technology plan.

- **Item 26a** - Check here if the eligible entities are covered by individual technology plans for the services requested in your application.
- **Item 26b** - Check here if the eligible entities are covered by a higher-level, multi-entity technology plan, such as a school district or library system plan. Statewide technology plans are not acceptable.
- **Item 26c** - Check here if your application is ONLY for basic local and long distance telephone service, in which case no technology plan is required.

**Item 27** - Check the box that best describes the status of the technology plan.

- **Item 27a** - Check here if your technology plan has been approved.
- **Item 27b** - Check here if you are currently seeking approval of your technology plan(s) from a state or other authorized body.
- **Item 27c** - Check here if your application is ONLY for basic local and long distance telephone service, since no technology plan is required.

**Item 28** - Certify that you have complied with all applicable state and local laws or rules regarding procurement. The FCC's rules are not intended to preempt state or local procurement rules.

**Item 29** - Certify that services ordered pursuant to the universal service discount mechanism will be used for educational purposes only and that the services will not be sold, resold, or transferred in consideration for money or any other thing of value.

**Item 30** - Certify that you have complied with all program rules and that you acknowledge failure to do so may result in denial of discount funding and/or cancellation of funding commitments.

**Item 31** - Certify that you understand that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the shared services receive an appropriate share of benefits from those services, as defined by the FCC.

**Item 32** - Certify that you are aware that you may be audited to ensure that the information that you are providing in this form is accurate and that you are abiding by all of the relevant regulations. You must also commit to retain any and all worksheets and other records that you have relied upon to fill out Form 471 for five years so that an auditor can verify the accuracy of the information you provide. This includes all documentation showing that you have complied with all applicable competitive bidding requirements, including copies of competing bids and documentation of the bid evaluation process and bid criteria used. Thus, if applicants represent multiple billed entities, collect data from those entities, and add up that data, they should retain those data sheets for five years. If an applicant is audited, it should be prepared to make the worksheets and other records used to compile these forms available to the auditor and/or the administrator, and it should be able to demonstrate to the auditor and/or the Administrator how the entries in its application were provided.

**Item 33** - Certify that you are the person authorized to submit and certify to the accuracy of this form. This person must be authorized to represent any and all of the entities for which discounts are sought in this application. Documentation to confirm this person's authorization to represent all entities in this application may be sought by the Fund Administrator during review of this application. For example, for consortium applications, the consortium lead member must either collect Letters of Agency from each consortium member or be able to provide some other proof that each consortium member knew it was represented on the application. Consortia that have a statutory or regulatory basis and for which participation is mandatory must be able to provide documentation supporting this certification. For consultants or other signers who are not employees of the Billed Entity, those individuals must also have a Letter of Agency from the applicant affirming that they are authorized to represent the applicant. For more information, please refer to "Letters of Agency" on the SLD web site at [www.sl.universalservice.org](http://www.sl.universalservice.org).

**Item 34** requires the signature of the authorized person.

**Item 35** requires that the date of signature of the Form 471 be provided. Please note that for applications requesting new services, this date CANNOT be earlier than any Allowable Vendor Selection/Contract Date you cited in Item 17 of any Block 5 submitted with this application.

**Item 36** (30 characters maximum) - Print the name of the authorized person whose signature is provided in Item 34.

**Item 37** (30 characters maximum) - Provide the title or position of the authorized person whose signature is provided in Item 34.

**Item 38** - Provide the telephone number, including area code, of the authorized person whose signature is provided in Item 34.

## V. REMINDERS
